

## Alberta Director's Report

CSCT 2023 AGM, Montreal, QC.

Greetings,

ASRCT is currently in the process of speaking with the provincial lawyer to approve and apply our new Bylaws. The board is hoping to have them finished for the next 2024 AGM for vote in Calgary.

The board last met Sept. 08, 2023. Since the government has not changed as per anticipation in April, HPA may continue to be a struggle without 300+ members. Our previous efforts with ACCLXT Alberta combined lab and x-ray technologists are still ongoing but there may also be an opportunity to work with the Respiratory Therapists (CRTA).

ASRCT is sending member Luanne Davey who won a fair draw to CCC all-expenses paid this year up to \$2000. ASRCT is also sending Meghan Parise the treasurer to CCC as an incentive to increase board membership and another board member will be chosen for 2024.

Respectfully submitted,

Elin Hasper RCT, AB Director
