2023 CSCT AGM
British Columbia Director's Report
Sept 26, 2023

Greetings fellow CSCT members,

In BC, our 2023 AGM was held virtually via ZOOM Webinar on May 27. Once again, the plan was initially to return to an in-person format but this was pushed off for another year. Turnout again was strong, with 208 members attending. We are currently discussing a site for the 2024 AGM and will likely host the members somewhere in the Okanagan Valley.

Once again, no education session was provided adjacent the virtual AGM. The Board is providing online education sessions throughout the year to make up for lost CEU opportunities. We hope to have an in-person session this coming spring in conjunction with the AGM, but will continue these virtual offerings as they are easily accessible to all members.

This past year, we've finally been able to fill all of our vacant Board positions as Cailey Dye (Communications Director) and Eileen Casama (Recording Secretary) have joined the team. It's great for the Board and for the entire membership to have a fully staffed and functioning Board of Directors.

We have also completed our first revision of the CTABC Bylaws. We hope to have them reviewed by legal counsel soon so the membership can vote on the changes at the 2024 AGM. Policy revisions are scheduled to be completed soon.

The Board will be striving to improve member engagement through stronger communications and increased educational opportunities.

The CTABC BOD will continue to meet virtually every month for the time being. As always, we'll keep on top of developments as they arise.

CTABC Board of Directors (as of Sept 26, 2023)

President	Amy Gill
Vice President	Jimmy Guo
Treasurer	Jiannan Yu
Registrar	Cheryl West
Provincial Director	Sean Freeze
Education Coordinator	Amy Gill
Communications Director	Cailey Dye
Recording Secretary	Eileen Casama
CEU Coordinator	Angela Rayson

Sincerely,

Sean Freeze
CSCT Director, BC
