

## NB Directors' AGM Report October 2023

NBSCT will be holding its AGM late November 2023(date TBA, via Zoom.)

We are very happy to be able to send a NBSCT member to CCC. This member won our draw held late this summer. We are hopeful that this will be an annual event. Our membership is in the last stages of collecting CEUs for the yearly requirement. The feedback has been mixed, with some members relieved to have this broken down to an annual rather than the former triennium occurrence, and some members have voiced displeasure regarding the changes in what is qualifying as acceptable as a CEU.

Rural pacemaker checks are part of life in NB however it was taken to a new level recently as two technologists were tasked with maneuvering onto an island ferry while it was docked to check devices. This was saving the patients from having to drive an additional hour and a half to the nearest centre. Such is life in a Maritime area.

Regards

Valerie Gilbert, RCT

NBSCT President/Director

### NBSCT Executive Members

President/Director – Valerie Gilbert

Treasurer/Registrar – Kathy Walker

Secretary – Kelsey McEachern

Education Coordinator – Kristine McLaughlin
