

## **Saskatchewan Directors Report CSCT Annual General Meeting October 2023 Montreal, Quebec**

Greetings from Saskatchewan,

I hope that everyone had a great summer and enjoyed the sunshine! The SCTA recently met in September and have started planning our 60th anniversary. We hope to have an evening of fun, while celebrating and getting together with our members. This will take place April 27th, 2023.

We will start collecting membership dues on November 1st, 2023. This has been easier now with the streamlined process of auto-invoicing. We plan to revisit our bylaws after the CSCT AGM and hope to get out to our members next year. SCTA members appear to be receptive to the new change in process in CEUs and we continue to try and provide educational days.

Tracy Boyko was the winner of our CCC giveaway and we look forward to her joining us!

Regards,  
Lauren Baldwin RCT  
Provincial Director of SCTA

### **SCTA Executive 2023-2024**

President: Oksana Czaikowski  
Vice President: Alisha Sanderson  
Secretary: Tchissola Goncalves Sebastiao  
Treasurer: Patty Budnick  
Registrar: Carla Hill  
CEU Coordinator: Rozen Cruz  
Education Director: Zhea Topacio  
Provincial Director: Lauren Baldwin  
Member at Large: Elisha Carlson

Saskatchewan Board of Directors Report CSCT Board Meeting June 2023 Winnipeg, Manitoba The SCTA recently held its AGM in Regina, Saskatchewan on May 6, 2023. It was a nice change to be hosted in a different city and allowed for some of our members from down South to join. In conjunction with the AGM was our annual education day, Regina technologists organized some great speakers and an excellent lunch. We had a total of 50+ members attend both the AGM and education day. As was previously announced at the 2022 AGM, a staggered election was hosted this year, with positions being held for either a one or two year term. New to the SCTA this year is Zhea Topacio as education coordinator and R
