

Canadian Society of Cardiology Technologists

Education Director's Report October 2021 AGM

CSCT has continued to offer the Certification Exam via virtual proctoring through ProctorU. Over the past year, CSCT has held the usual two exam sittings with the following results.

The April exam was held on April 28th and 29th. There were **80** candidates who challenged the exam for the first time with **67** passing. There were **14** candidates who rewrote the exam with **4** passing. The September exam was held on September 22nd and 23rd. There were **118** candidates who challenged the exam for the first time and **17** candidates who rewrote the exam. Unfortunately, there has been an unexpected delay and results are not available at this time.

April 2021 Exam	
First time: 80	Passed: 67
Rewrite: 14	Passed: 4
September 2021 Exam	
First time: 118	Passed: TBA
Rewrite: 17	Passed: TBA

During the September sitting, CSCT added Algonquin College in Ottawa, ON as an additional Accredited college whose graduates are approved to challenge the CSCT Certification Exam.

Going forward, our exam delivery company, Yardstick, has merged with their sister company, ProctorU, under a new operating name of Meazure Learning.

Respectfully submitted,

Emily Coffey, RCT
CSCT Education Director
