

ALBERTA SOCIETY OF REGISTERED  
CARDIOLOGY TECHNOLOGISTS

## **CSCT AGM**

**March 13, 2021**

**Via Zoom**

### **CSCT ALBERTA DIRECTORS REPORT**

The Alberta Society of Cardiology Technologists did not hold an annual general meeting for 2020, due to the current COVID-19 pandemic. Usually, the yearly AGM is a big education event for our members, and the ASRCT education team did a fantastic job creating online education opportunities.

To engage our members even further the ASRCT offered prizes and free 2021 memberships for up to ten members who completed all education offered. The free memberships went to Kuldeep Panesar, Iryana Magas, Rumiya Budurova and Mohammed Islam, with many other members receiving gift cards for highest marks or engaging with our social media.

The ASRCT 2021 AGM is currently in the planning stages and will be held virtually. Positions up for appointment are President and Education Coordinator, and elections will be for Vice President, Secretary and Education Assistant.

Currently, the ASRCT has three vacant board positions. President Larry Leduc has stepped down without finishing his term, Praveena Arulkumaran has stepped down as Treasurer, and Helena Xing has stepped down as CEU Coordinator. Vice President Elin Hasper will assume the role of President until an appointment is made at the 2021 AGM. Education Coordinator Meghan Pairese and Registrar Wendy Wilson have agreed to take on the responsibilities of Treasurer and CEU Coordinator.

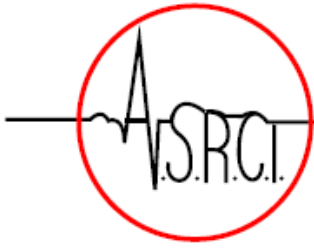

The ASRCT had no new advancements regarding our Health Professions Act application, but we continue to diligently work all possible angles.

The Alberta Society of Registered Cardiology Technologists is excited for the opportunity to welcome new members to our board and to continue to provide excellent education for our members.

Respectfully submitted,

Amber Myre

CSCT Alberta Director
