

Saskatchewan Provincial Director's Report AGM March 2021

In mid-October our Vice-President stepped down from her role. She will be missed but we are looking forward to having Alisha Sanderson join us. She has agreed to step into the role as the interim vice president until elections are held and we are very excited for her to learn about the SCTA.

Our usual Cardiology Technologist Day celebrations have been dampened by COVID restrictions. There for the SCTA executive has decided to send out surprise Tim Hortons gift cards to all of its members in good standing.

The SCTA AGM 2020 was held virtually in September with 70% of our members attending.

This years AGM is scheduled for May 1, 2021 and we have decided to stay with a virtual theme this year no matter the circumstances with COVID. Planning has started on hosting some virtual education sessions as well on the same day for our members.

Respectively submitted

April Forrest
Provincial Director
