**CSCT Newfoundland & Labrador Director's Report
CSCT Board of Director's Meeting October 2021
Calgary, Alberta**

The CTAN annual general meeting will be held on October 4th, 2021. At this time, we will announce the intent to update the provincial bylaws and discuss the future of our meetings with the membership. Considering the low attendance numbers when meetings are held outside of central Newfoundland, the board feels it may be more beneficial to keep future meetings virtual to allow for the maximum number of members to take part.

Our president and secretary will both be stepping down from their positions. In order to align the two year terms, we are taking this opportunity to hold elections for *all* board positions. Some roles may be combined during this process with the support of the membership.

Respectfully submitted,
Megan Willette, RCT
NL Director
