We are looking for Cardiology Technologists to join our growing team at Island Health. Do you have a diploma in Cardiology Technology and have completed the Canadian Society of Cardiology Technologists (CSCT) certification exam? We want to hear from you!

Reporting to the Manager or designate, and as a member of a multidisciplinary health care team, the Cardiology Technologist performs a variety of non-invasive cardiology procedures and routine maintenance of equipment.

In this position you will be responsible for using a personal computer and related software, performs database functions, including editing of electrocardiograms, storage and retrieval of cardiac records, and related clerical duties.

### **Qualifications**

- Diploma in Cardiology Technology.
- Successful completion of the Canadian Society of Cardiology Technologist (CSCT) certification exam.
- Eligible for membership with the Cardiology Technologist Association of British Columbia (CTABC).

### **Skills and Abilities**

- Prioritize and organize work.
- Observe and assess clients/patients.
- Operate related equipment, including computerized systems.
- Communicate effectively, both verbally and in writing.
- Deal with others effectively.
- Participate as a member of a multidisciplinary team.
- Physical ability to perform the duties of the position.

Ready to take the next step in your career? See all of our available positions and apply here - <https://www.careers-islandhealth.ca/cardiologytech>

### **Benefits**

Island Health offers an employer-paid benefits package including dental and prescription coverage, Municipal Pension Plan, long-term disability and extensive extended health plan, plus four weeks of paid vacation.

## **About Vancouver Island**

Have you ever dreamed of living on the West Coast, surrounded by pristine nature, towering forests and the ocean? Vancouver Island residents live in one of the warmest climates in Canada. Hiking, running, paddle boarding, kayaking, and fishing can be enjoyed year-round, with skiing available in the winter months. The relaxed pace, easy access to outdoor activities, art and music – whatever lifestyle you're looking for, we have it here.
